EARN. SAVE. SPEND. PLAN.

Save \$5000

Every time you find \$100 to save, color in a raindrop or a piece of a cloud. Once you've filled in the whole sheet, you'll have a pretty picture AND proof that you've saved \$5000!

Upload your finished artwork to [Facebook.com/IStackBenjamins](https://www.facebook.com/IStackBenjamins), hang it on the fridge, and pat yourself on the back!

Good job!
